

Carrier 30 Cart™

Charge, store, secure and transport up to 30 devices.

-  **Efficient Charging.** With ECO Safe Charge, the Carrier 30 Cart is capable of charging up to 30 mobile devices simultaneously.
-  **Compatible.**¹ Baskets by LocknCharge are designed to accommodate almost any device, including Chromebooks, Tablets, Laptops and iPad devices.
-  **Secure.** Lock the sliding top lid with included programmable padlock and attach an optional anchor kit to lock down the whole Cart for additional security.
-  **Exterior Charging Status Display.** Easily know the charging status of your devices without opening the cart.
-  **Extremely Portable.** Baskets enable devices to be distributed in a fraction of the time compared to a traditional cabinet style carts.
-  **Style Meets Functionality.** For better work flow, the Carrier 30 features a top sliding lid so devices can be accessed faster, easier and by more users at once.
-  **Work Surface with External Power.** With an exterior power outlet, you can use the top sliding lid as a work surface while powering other devices.
-  **Lifetime Warranty.** No matter the environment, LocknCharge Carts are built to last.²

It just makes life easier.

ECO Safe Charge™ power management system with remote control. ECO Safe Charge charges devices safely and efficiently by staging the availability of power to each bank of devices. Now featuring a clear design and bright blue lights, you can see which bank is charging easier.

Baskets by LocknCharge. Baskets make mobile device deployments faster, safer and more efficient. They are designed to accommodate Chromebooks, Tablets or iPad devices up to 13".¹

Devices too big for the Baskets? The Carrier 30 Cart features a three level adjustable storage shelf, allowing you to insert an optional Device Rack to accommodate devices up to 17". Contact us for more details.

Easy cable management. LocknCharge cable management has been simplified so that you can wire an entire Cart in minutes. Save time with set up and gain time using your Cart.

Secure soft closing, sliding lid. Doubling as an additional workspace, the soft closing lid can hold up to 40 lbs. of additional resources when extended.

Highly secure. Featuring heavy-duty construction, a two-point locking system and a programmable padlock, the Carrier 30 protects your valuable device investment when they're not in use. Additionally, use the optional anchor kit so that the Cart can be secured in one location.

External charging status display. Easily know the charging status of your devices without opening your cart with the external charging display.

External power outlet. With an external power outlet you can easily charge devices like a projector or other peripherals.
