Large Baskets by LocknCharge. Make device deployments faster and safer, so that Teachers and IT Administrators can focus on creating an engaging learning environment.

Efficient charging. The Carrier Line can charge any devices simultaneously, including Chromebooks, Laptops and most Tablets, with or without most cases.

Secure. After a day of use, close your solution and lock your devices away knowing they are safe while it's not in use.

Lifetime Warranty. LocknCharge products are built to last.²

Shared Use. Baskets by LocknCharge enable devices to be shared by multiple students or classrooms with ease. Ideal for Shared Use deployments.

Extremely Portable. Baskets enable devices to be distributed in a fraction of the time compared to a traditional cabinet style cart.
