

# AE-35 Headphone

A time-proven design developed with the rigors of life in mind

The AE-35 provides an excellent range of sound and a reliable listening experience for a variety of audio formats.

- Comfortable, lightweight frame and versatile style with adjustable components fit across younger age groups.
- Safe and dependable audio solution to connect in a variety of settings, while being compatible with most devices and adapters that have a 3.5mm connection.
- The adjustable padded headband and earpads provide hours of comfort and are extremely easy to clean and maintain.

Mid-size ear pads are the perfect size for a wide age range

Stylish contour stitching on adjustable padded headband

Chew-resistant nylon-braided cord and strain relief at earcups for durability
