

iiQ Resources™

a product of Incident IQ

Instructional materials management simplified.

iiQ Resources offers unmatched flexibility to manage the diverse range of instructional materials in your district.

SERIALIZED, GENERIC, AND CONSUMABLE RESOURCES

Trade in your spreadsheets for one system.

Don't let fixed fields and endless spreadsheets constrain your ability to meet the learning needs of your students. See serialized, generic, and consumable resources in one place for a better understanding of your instructional materials.

REAL-TIME INVENTORY MANAGEMENT

Take out the inventory guesswork.

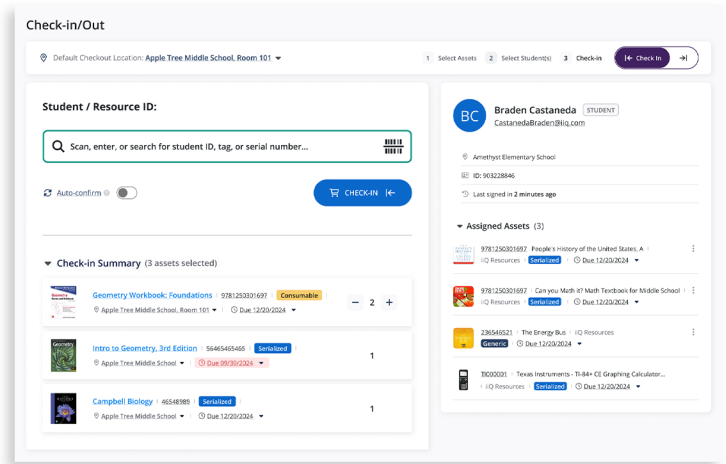

Manage the vast array of instructional materials with streamlined workflows for inventory updates and approvals for additional resources. Get clear, real-time visibility into all the materials across the entire district.
