

CORE16

For Chromebooks,
Laptops and Tablets

The Smart Alternative to the Charging Cart.

Key Features for Academic Results

Small Vertical Footprint

Two Towers take up less than half of the square footage of a single cart.

Maintenance Free Cable Management

Perfected cable management provides quick device return and retrieval. IT staff won't have to waste time rewiring again.

Visual Security

The asymmetric door allows teachers to clearly see if all the devices are charging and stored from anywhere in the classroom.

Antimicrobial Powder Coating

This gives an extra layer of protection against spreading common germs.

Versatile Mounting Options:

Wall mount, stands, or rollers are designed specifically to evolve to your future deployment needs.

NEW FOR 2021

TechStop Shelves

Futureproof shelves with an adjustable TechStop limiter that keeps devices at the front of the shelf, making it easier for users of all ages to access devices.

Versatile and Futureproof Shelves

The adjustable TechStop keeps devices at the front of the shelf, making it easier for users of all ages to plug in or unplug devices during return or retrieval. Insert the TechStop into the appropriate slot for your device sizes, or remove altogether for larger laptops.

PLACEMENT OPTIONS FOR THE TECHSTOP

Removal of TechStop
for devices
up to 14.8"

TechStop in second slot
for devices
up to 11.25"

TechStop in first slot
